Financial Arrangements

Jane Phillips Regional Home Care is a not-for-profit organization committed to providing quality health care services in a financially sound manner. Jane Phillips Regional Home Care is sincere in our desire to cooperate with our customers, and we realize that extenuating circumstances may make exceptions necessary.

Self-pay Billing

Patients or responsible parties who have no health insurance will receive a 25% discount and are directed to the office supervisor to make payment in full or to receive further discounts based on financial ability. With appropriate credit information, your lending institution may assist you in financing these arrangements. JPRHC will accept Master Card, VISA, American Express, and Discover charge cards for payment on patient accounts.

Payment Schedule for Home Health Services

All accounts are due in full within 30 days of the date billed. Patients may make payment arrangements by contacting the office at 918/331-2650.

Pre-admission

Patients will be pre-admitted whenever possible. Whatever method the patient intends to use for payment will be verified prior to the patient's admission to the extent possible.

Insurance Billing

All patients who have insurance will be asked to provide proof of insurance coverage and to assign benefits to Jane Phillips Regional Home Care for each episode of care. A patient whose insurance cannot be verified or who does not assign benefits will be expected to pay his/her bill at the time of service or discharge. A patient who provides insurance coverage information after the services are rendered will be responsible for any penalties assigned by insurance if pre-certification is required.
